# Cartons

At the VPA Warehouse, we specialize in providing a wide range of cartons to meet all your packaging needs. Whether you require wax-coated cartons for moisture resistance or dry cartons for general use, we have you covered.

We receive all our pallets in bundles like shown above. They can range from 280-600, and can normally fit in the back of pick up

All Bundles are labeled with their Size/Count/Manufacturer to insure you are receiving the correct product.

Each bundle comes in packs like shown above. You may get a whole bundle or as many packs as you would like.

## Note:

Please be aware that while we offer direct shipping to your farm, we currently do not provide delivery services.

# Plastic Cartons

Our corrugated plastic boxes, made from tough polypropylene plastic and ultrasonically welded, offer a sturdy, fully water-resistant solution for chilled and frozen goods. Unlike traditional wax-coated boxes that often end up in landfills, our boxes are 100% recyclable, providing a sustainable alternative that reduces waste.

These boxes are also 50% lighter than standard wax options, making handling easier, lowering freight costs, and reducing emissions. Customizable in size, shape, and strength—with high-speed printing options for colors and branding—they're designed to fit seamlessly into your unique operations and reflect your brand.

80 YEARS

## OF KEEPING IT TOGETHER

### THE NOTORIOUS RBT (RUBBER BAND TAG™)

None other than the original rubber band tag

Don't settle for less! Twist-Ems® RBT is the Rolls Royce of tags for produce and beyond, working especially well at elevating the presentation of broccolini, asparagus, green onions, and more

Follow the Industry Leader

Cases come in 50-unit bundles for ease of use for growers!

NEW standard dies & sizes: we have what you need or we will custom design one

Manufactured in North America! Now with expanded production & shorter lead times

\*partnered with Alliance® Rubber Company to offer the highest-quality rubber bands on the market

PUT A  
RIBBON  
ON  
YOUR  
PRODUCT!

In 1939, Twist-Ems® revolutionized packing with a simple but daring innovation: the perfect twist tie. That's right — we invented that. Generations later, we're still family-owned and we're still innovating, with great customer satisfaction and bold approaches to making simple products better

### TWIST TIES

Value & elegance from field to kitchen

Twist-Ems Twist Ties® are simple — and anything but generic. An affordable, brandable, and higher-quality version of what you're using now! We dominate the market with standard widths: 1/4", 3/8" and 1/2". Plus, maximize billboard opportunity for your brand with 5/8" — a first for produce.

### INNOVATIVE SERVICE

Since the beginning, we organized our business to serve our clients. With products manufactured in our Arizona facility, plus support of our Southern California distribution center, there's no company better equipped to meet the needs of California growers, as well as growers around the world.

### PRODUCT:

### EXCEPTIONAL

Reach your customer:  
go custom!

Twist-Ems® enables you to share your brand through your tag! Work with us to insert custom logo, PLU, Barcode, and more, with the distinct usability and variety of all our flagship products!

We've increased  
capacity!

NOW enjoy shorter lead times on our label tie and rubber band tags.

# Mulch Plastic

**Mulch Plastic** helps protect against weeds, conserving water/nutrients, and temperature control. Depending on the color of the plastic you use will determine the temperature of your soil. If you think your plants are getting too hot a Cool White Plastic might help. But normally a black plastic will work just fine. Together with Filmtec and Berry Pliant we work to provide you with quality and affordable plastic.
